Dear love  
Better sit down  
Bad news  
Get the word out  
Accidents come with conclusions

I'm numb  
On the asphalt  
Don't cry  
Wasn't your fault  
I can't feel  
It's just confusion  
Keep on, keep on, keep on,

When I'm gone  
And the lights are out  
Don't be sad for long  
When I'm gone  
And the lights are out  
I'll be shining on  
I'm just gonna let my life bleed on this letter  
Let my song sing on forever  
I'll still love you when I'm gone

Teardrops  
Paint the faces  
Despair  
Is contagious  
Dressed in black  
Clutching a red rose  
Hold on, hold on, hold on,

My love goes on  
And the lights are out  
Don't be sad for long  
When I'm gone  
And the lights are out  
I'll be shining on  
I'm just gonna let my life bleed on this letter  
Let my song sing on forever  
I'll still love you when I'm gone

And the lights are out  
Don't be sad for long  
And the lights are out  
I'll be shining on  
I'm just gonna let my life bleed on this letter  
Let my song sing on forever  
I'll still love you

When I'm gone  
And the lights are out  
Don't be sad for long  
And the lights are out  
I'll be shining on  
I'm just gonna let my life bleed on this letter  
Let my song sing on forever  
I'll still love you when I'm gone
