(Verse 1)

In the silence of the garden  
Moss arizing on the wind  
And the beast is pondering love love love  
'Till the rusty nail grow dim

(Chorus)

I can't seem to make you mine  
Through the long and lonely night  
And I try so hard, darling  
But the crowd pulled you away  
Through the rhythm and the rain  
And the ivy coiled around my hand

(Verse 2)

So I lingered with the people  
In the silent August glade  
But the rain has brought the night  
And the night has brought the rain

(Repeat Chorus)
