I see a pretty face walk up to me,
While we're sitting in the back seat of your car.
You don't know anything,
I don't wanna know what you got to say.
I see a pretty face walk up to me,
We can be one if only for tonight,
You don't know anything.

Woah, woah.
Woah, woah.
I will always come back for you,
I will always come back.

I see her pretty face walk up to me,
I don't ever wanna be that guy again,
I just don't know what I can do.

A thousand stars don't mean a thousand years,
A thousand miles won't take away your thousand
smiles,
I'll always come back for you, forever, and ever, and
ever.

I will always come back for you,
I will always come back.
