Is there any truth in any of us?
Well I've got a message for,
So walk with me
So walk with me.
But please leave your regret at the door,
Lock it up, close it up, and don't look back.

From here on in this is the moment we've been waiting
for,
I've been waiting for.
We don't want anyone to see what we are going
through.
You can face up.
We don't want anyone to see who we really are,
You can face up, you can tell the truth.

You can't undo anything you've already done,
But you can tell the truth oh.

Is there any truth in any of us?
Well I've got a message for,
So walk with me
So walk with me.
But please leave your regret at the door,
Lock it up, close it up, and don't look back.
Don't look back, for me.
Oh don't
Don't look back,
Don't look back, for me.
