Oh yeah, oh yeah, Iâ€™ve fallen down
But I can get up
Everyone in this fuckinâ€™ town
Can get their back up
Oh yeah you call yourself my friend
Your back is breaking
Why donâ€™t we find out in the end
Whatâ€™s for the taking

Heâ€™s not listening, heâ€™s not listening
If he listened to your heart, heâ€™d hear you saying

CHORUS

I want, I want, I want my baby
I want, I want, I want my baby
I want, I want, I want my baby back (2xâ€™s)

Oh yeah, oh yeah, Iâ€™ve fallen down
Thereâ€™s no use faking
And everyone in this olâ€™ town
Can hear me raging
Oh yeah, you call yourself my friend
Donâ€™t get your back up
I guess weâ€™ll find out in the end
Whoâ€™s the real bastard

Heâ€™s not listening, heâ€™s not listening
If he listened to your heart, heâ€™d hear you saying

REPEAT CHORUS to GUITAR SOLO

Heâ€™s not listening, heâ€™s not listening
If he listened to your heart, heâ€™d hear you saying
(2xâ€™s)

REPEAT CHORUS
