I hurt myself today  
To see if I still feel  
I focus on the pain  
The only thing that's real  
The needle tears a hole  
The old familiar sting  
Try to kill it all away  
But I remember everything  
What have I become?  
My sweetest friend  
Everyone I know  
Goes away in the end  
And you could have it all  
My empire of dirt

I will let you down  
I will make you hurt

I wear this crown of thorns  
Upon my liar's chair  
Full of broken thoughts  
I cannot repair  
Beneath the stains of time  
The feelings disappear  
You are someone else  
I am still right here

What have I become?  
My sweetest friend  
Everyone I know  
Goes away in the end  
And you could have it all  
My empire of dirt

I will let you down  
I will make you hurt

If I could start again  
A million miles away  
I would keep myself  
I would find a way
