Love, love, love
Love, love, love

There ain't nothing in this world
For a boy and a girl
But love, love, love
Love, love, love, love, love, love

There ain't nothing in this world
For a boy and a girl
But love, love, love
And that's the only thing
I'm thinking of

Love can make you happy
When you're feeling blue
If the one you love
Is in love with you

There ain't nothing in this world
For a boy and a girl
But love, love, love
Love, love, love, love, love, love

There ain't nothing in this world
For a boy and a girl
But love, love, love
And that's the only thing
I'm thinking of

Love can pick you up
When you feel lowdown
Love can make you smile
When you're wearing a frown

I want it, I need it
Fill my cup with love, love, love
Love, love, love, love, love, love

Let me drink til my head goes round
And round with love, lve, love
So come and be my

Be my turtle dove
