I saw her today,  
I saw her face  
It was the face I loved and I knew  
I had to run away  
and get down on my knees and pray  
That there'd come a day

But still it begins  
Needles and pins  
Because of all my pride  
The tears I gotta hide

Oh, I thought I was smart, I wanted her  
Didn't think I'd do, but now I see  
She's worse to him than me  
Let her go ahead, take his love instead  
And one day she will see

Just how to say please  
And get down on her knees  
Yeah, that's how it begins  
She'll feel those needles and pins  
a-hurtin her, a-hurtin her

Why can't I stop and tell myself I'm wrong,  
I'm wrong, so wrong  
Why can't I stand up  
and tell myself I'm strong

Because I saw her today,  
I saw her face  
It was the face I loved and I knew  
I had to run away  
and get down on my knees and pray  
That there'd come a day

But still it begins  
Needles and pins  
Because of all my pride  
The tears I gotta hide  
Oh, needles and pins  
Needles and pins

Needles and pins
