I'm silent  
But I don't want to be  
Two tears, in this mask of insanity  
I kill but, it's far beyond control  
It's cause demons, possessing my soul  
I'm violent!  
Oh yes, I tend to kill  
I hide in shadows  
And stalk you against your will  
Undying!  
What has become of me?

Run Jamie! Run! (To the top of the stairs)  
Closed fists! Closed fists! (Grab a lock of her hair)  
Halloweens tonight! (You aint going nowhere)  
Michaels in the shadows! (Come into the shadows)
