I've seen the ocean
Break down and lay it's hands on to you
And it won't hurt you
You're swimming sideways
Taking breath nothing left for you
And it won't hurt you

I'm seeing you sideways
Everything new
I wish I'd never seen your face
Wishing I was you
See what I'm turning into

Craving that you were art
So I could tear your frame apart
And it will not hurt you
I want you back again
Place my face within your skin
If it don't disturb you

I'm seeing you sideways
Everything new
I wish I'd never seen your face
Wishing I was you
See me turning
Believe it's coming
See what you're learning
See what you turned me into
I'm turning into you
