[CHORUS]

(Day by day) day by day
(Every minute of the hour)
Every minute of the hour
(We're gonna come on strong)
We're gonna come on strong
(Gonna prove they're wrong)

They say will say our love
Will turn into a hurting thing
They tell of the heartaches
Oh, our love will bring

But the one thing they don't know
Is that we're doing fine
And forever, I'll be yours, girl
And forever, you'll be mine

[Repeat CHORUS 2x]

Are they so blind
Oh, that they can't see
How I feel about you, girl
And how you feel about me

We built a love so strong
No one can tear it down
So no matter what they do or say
Our love will still be around

[Repeat CHORUS 2x]

I remember the day
That I walked out on you
There's been a lot of talking
Saying things that were not true

But you knew I loved you
And I returned that day
Then you took me back
(Then you took me back)
Now I'm here to stay

(Now I'm here to stay)

[Repeat CHORUS 2x]
