No sympathy really here  
All the sweetness is left somewhere  
On some street miles from where we seem to be  
No love, no love

No compassion really here  
Even the reason why we met  
Has vanished in the air  
You keep talking while I sit and glare  
Just can't understand how it disappeared no

No love in this room  
No love left in here  
No love in my soul left for you

No love left in here  
No love in this room  
No love in my soul left for you

So I sit and wait till it appears  
Hopefully someday soon  
Hopefully before next year  
I just sit and I glare  
It's a mystery how it vanished  
How it left me here

Oh my heart so bare  
Nothing left to share  
Oh where did it go  
Withered away  
Give me love that will stay

No love in this room  
No love left in here  
No love in my soul left for you

No love left in here  
No love in this room  
No love in my soul left for you

No love left in here

No love in this room  
No love in my soul left for you

No love in this room  
No love left in here  
No love in my soul left for you
