[CHORUS]

The dream never dies  
Just the dreamer  
The dream never dies  
If it's strong  
The song never dies  
Just the singer  
So come on, everybody  
Sing along

Some men dream of fame  
And some of fortune  
Some men dream about  
Time gone by

All men dream of someone  
They'd like to become  
Cause without dreams inside us  
Yeah, without dreams  
How would we all get by

[Repeat CHORUS]

The dream never dies  
The dream never dies  
So, come on, everybody  
Dream along

Some men dream of Heaven  
And some of the Lord above  
Some men dream about  
Pie in the sky

All men dream of happiness  
And all men dream of love  
Cause without dreams to guide us  
Yeah, without dreams  
How would we all get by

[Repeat CHORUS]

The dream never dies

The dream never dies  
So, come on, everybody  
Dream along

[Repeat CHORUS]

The dream never dies  
The dream never dies  
So, come on, everybody  
Dream along

[Repeat CHORUS to fade]
