We didn't come here to die
We came here to live
So I hope you don't want a funeral
That's not what you'll get
Don't try to make us feel sad
Don't try to make it alright
Nothing will make us feel bad
We'll be having fun tonight
Just like when you think you're out of a bad dream
But you're still just halfway in it's just bad sleep
The bed squeaks
It's a bad scene
It's so boring
I didn't come here to die
I came here to live
So I hope you don't want a funeral
That's not what you'll get
Don't try to make me feel sad
Don't try to make it alright
Nothing will make me feel bad
I'll be having fun tonight
Just like when you think you're out of a bad dream
But you're still just halfway in it's just bad sleep
The bed squeaks
It's a bad scene
It's so boring
We didn't come here to cry the graveyard's on the
street
We didn't come here to die We came here to live
We didn't come here to cry like the burial down the
road
They've got much better reasons for standing out of
the cold
In here it's getting warm well actually hot
So let's just sweat together and appreciate what we've
got
Your false emotion seems pretty clear to me
And I trust in the population they also see
Real feelings
It's a bad scene
It's so boring
We didn't come here to cry the graveyard's on the

street

We didn't come here to die We came here to live
