Homeowner, gaining equity
Start thinking about security
You ride it, you ride it home
In a coma, pure suburban bliss
And it doesn't sound too ridiculous
We ride it, we ride it home
We ride it, we ride it home

We're on the way out, we're on the way out, we're
on the way out
We're on the way out, we're on the way out, we're
on the way out
We're on the way out, we got our thumbs out, we're
gonna stay out

Always looking over shoulders
You'll understand when you're older
You ride it, you ride it home
So we're roadside with our thumbs out
Try to get a ride on the way out
We ride it, we ride it home

We're on the way out, we're on the way out, we're
on the way out
We're on the way out, we're on the way out, we're
on the way out
We're on the way out, we got our thumbs out, we're
gonna stay out
