I belong to the police of truth
Here to shape the spirit of the youth
I believe in the strength of Art,
Of mass media culture took to heart
I fight from freedom of speech
For everyone except fascist pigs
I commend tolerance and respect,
Apart from ideas I reject

Martialist!
All hail, martialist!

Inspect, suspect, correct, infect

Sheep believe they are some rebels, Buying ideals to my cartels I have built some formatting schools To rewrite history, teach the rules I make people hate their fellows I divide, I soil, I stain I am Satan drinking Champagne
