Vote CNK, enjoy your stay  
Vote CNK, have a safe day  
Vote CNK, on High Holy Day  
Trust CNK, and Show the way  
Vote CNK, Cheers Cabernet  
Praise CNK, it's the great washing day  
Believe CNK, stronger than  
CIA, NRA, DNA, KKK, JFK

Democracy, all values obscene  
God bless the system  
Feeding the serpent, dressing him to fight  
To spit, to destroy, to vote  
Day after day, against itself

Winners, winners  
Improve your life and vote for winners  
You'd better have to vote for us

Put your fucking hands in the air for us people!  
Do you want everybody else to loose?  
Do you want colour movies to be banned?  
Do you want big red cars?  
Come on people, will you vote for CNK?

Democracy, all values obscene  
God bless the system  
Feeding the serpent, dressing him to fight  
To spit, to destroy, to vote  
Day after day, for CNK  
Cosa Nostra Klub fucks the yellow sub
