Endless, endless
My love for you
Is endless, endless
What can I do
I want you, I need you
I love you
Darlin' I do

Oh, yes, it's endless, endless
The tears I cry are endless, endless

And you know why
I want you, I need you
I love you, darlin' I do

Like the clock on the shelf
My love goes on, and on
I keep blamin' myself
Every hour you're gone, gone, gone

Oh yes, it's endless, endless
'Til your return
It's endless, endless
The fire will burn
I want you, I need you
I love you, endlessly

Like the clock on the shelf
My love goes on
(Tick tick tock)
And on
I've been blamin' myself
Every you're gone, gone, gone

Oh, it's endless, endless
'Til you return
It's endless, endless
The fire will burn

I want you, I need you
I love you, endlessly

(Need you, I want you, I love you, endlessly)
I want you, I need you
I love you, endlessly
