[mcgruff]

I'm from the east coast, I don't care, snatch police coats  
Leave the beast roast, gruff disturb the peace in me, ghost  
Walk wit notes, plus I'm known for puttin forks in throats  
Armed robbery, strong-arm, dope fiend yolks  
No joke, the burner, that'll total leave you unwoke  
Heartless, body niggas, roll a blunt or smoke  
Spaced out loke, sherm head, my eyes turn red  
One time I came in off my high level, and guys was dead  
Hold my own, from my harlem home to riker's  
Up state and down state, wit them hillbilly crackers  
They got the average black man labeled as a savage  
Before that cabbage, he turn to pick a bad habit

[chorus 2x]

Wait, herb mcgruff ain't got vowels to show ya  
Kingpin stay sharp, supreme thinkin  
Gettin money out my ass, who think my cream sinkin  
Heroin don, yeah, private jet airborne  
Me and my niggas countin figgas wit that fresh gear on  
Sip crystal, skip the mo', don't like fidel castro  
Sportin diamond rings, like don king wit that wild afro  
It's time no, knowwhatimean? harlem bout to blow  
No fake jacks, get the green, go all out for dough  
Where I'm from son, snitches be dialin 911  
But those the one you find in the alley filled wit 9 dum-dums

[mcgruff]

Aiyo, my town's real, it ain't no fairy tale here  
Homicide harlem, blaow, what's the problem?

We rob 'em, take all the jewels and the lucci  
Cowards that grave, hit the fools wit the uzi  
I lived this, handle all my business, leave no witness  
God bless the guy who test the fine dress  
To die f to bs, rock the cock this leg gs  
Gruff be hittin virg, the skin, couldn't be sex the stretch  
Hold my own, I'm own as the black al capone  
Dangerzone, we pack chrome and wack out your dome  
I want three nine, and linic is where you will find this
