CHORUS:

Oh darling, just for old times sake
Turn back the hands of time
Pretend that you're still mine
Just for old times sake

Although you said goodbye to me
I can't help thinking how it used to be
I guess I'll always be in love with you
I can't forget the things we used to do

CHORUS

Well I know that if once more we share a kiss
You'll realize that it's a thrill you miss
That old time feeling deep within your heart
Would make you give our love a brand new start

CHORUS

Just for old time sake
