When I'm close to you
I'm livin' dangerously
But livin' dangerously
Can be sweet

Who cares if I might trip
And fracture my heart
I say the heck with it
I can't be smart
Who needs it

When your lips meet mine
I'm kissin' dangerously
But I can't fight what I'm feelin' for you

Who knows what lies in store
No more, no eyes can see
But I'll go right on
Livin' dangerously

But livin' dangerously
Can be oh, so sweet

So, who cares if I might trip
And fracture my heart
I say the heck with it
I can't be smart
Who needs it

When your lips meet mine
I'm livin' dangerously
But I can't fight what I'm feelin' for you

Who knows what lies in store
No more, no eyes can see
But I'll go right on
Livin' dangerously

When you're close
I'm livin' dangerously
When we kiss

I'm livin'...
So I'll go on
Livin' dangerously
