I don't bring you flowers every day  
Say I love in the usual way  
No, I don't come a-calling  
(Don't come a-calling)

Those ways have moved on  
It's a changing world, babe  
And those days are gone

Still, it's the same old love  
(Darling, it's the same old love)  
Darling, it's the same old ball of light  
Yes, it's the same old  
Stardust in my eyes

Still, it's the same old love  
(Darling, it's the same old love)  
Darling, it's the same old games we play  
(It's the same) just the same as yesterday  
It's the same old love in a brand new way

I don't take you strolling down the lane  
Or quote you lines from an old refrain  
There's no vine covered cottage  
(Vine covered cottage)

For us to dream about  
Yet when we're all alone  
And all the lights are out

Still, it's the same old love  
(Darling, it's the same old love)  
Darling, it's the same old ball of light  
Yes, it's the same old  
Stardust in my eyes

Still, it's the same old love  
(Darling, it's the same old love)  
Darling, it's the same games we play  
(It's the same) just the same as yesterday  
It's that same old love, a brand new way

Still, it's the same old love...
