Run for your lives!
Hope, Pray, whatever it is you do
Cuz we're fucked
We have our seats and trays upright like it matters
We have our seats and trays upright like it matters

Just look at what you've done
Just look at us
Just look at what you've done
Just look

So this is how it goes
Now we're riding so low
So this is how it goes...

We're going down!
Brace yourself
Dosing off is not an option
We have our seats and trays upright like it matters
We have our seats and trays upright like it matters

What solid gold we are
And for a moment keep me
What solid gold we are
Solid gold

So this is how it goes
Now we're riding so low
So this is how it goes...
