I think I need a friend  
Just a friend to hold  
What a dream I had, oh  
You were still around, saying:

"Don't stop.  
We're living it fast.  
Feet on a one way street.  
Don't start,  
You're breaking my heart in t-t-two.  
Don't stop,  
We'll make it alright,  
I know we are the best of the best.  
I know we are the best of the best.  
I know we are the best of the best."

I said "sure we are,  
Just like falling stars"  
I remember you  
Singing all the way down:  
"Don't stop..."

But then, we ran out of luck  
And I ran out of you.  
What a dream we had, oh  
Off to Mexico, singing  
"Don't stop..."
