1.verse:

The darkness steals the day
When the goddess stops to take a taxi
-She is going out

Faces, unknown, exciting
Places filled with everyone
-She is going out thinking:

chorus:

"Bring me my love
Don't leave me out
Fill up this hollow heart with
hope and comfort,
final answers"
Uuh-uuh uuh-uuh uuh
Laa la la laa laa

2.verse:

Maybe I'll get to be your baby
Before the evening bends
-Until the world ends

Oh, believe me
I'm cool and daring
-She says:

chorus:

"Bring me my love
Don't leave me out
Fill up this hollow heart with
hope and comfort,
final answers"

bridge:

The feelings kill the reason
-She says:

chorus:

"Bring me my love
Don't leave me out
Fill up this hollow heart with

hope and comfort
final answers"
Ooh-oooh ooh-oooh ooh
