

## The Crash "Muse"

To write these words  
To praise this world  
To take these chords... I need you

To sing this song  
I bring you on  
Then I sing along with you

Me  
I love you 'til I die and born again  
Then we meet again  
A boy and a girl  
The same again

I hear these notes  
I feel these tones  
They're flesh and bone... I follow you

I sing this song  
I bring you on  
Then I sing along with you

Me  
I love you 'til I die and born again  
Then we meet again  
A boy and a girl  
The same again
