Today we will stop faking and
Celebrate with full hearts
Take these words, discover me

Oh will you stay with me?
And will you play with me?
Oh will you save my ass?
Or will we go down once again?

One day we will pop unless we start
To level with ourselves
Take these chords and cover me

Oh will you stay with me?
And will you play with me?
Oh will you save my ass?
Or will we go down once again?
Are we going down once again?

Oh will you stay with me?
And will you play with me?
Oh will you save my ass?
Or will we go down once again?
Are we going down once again?
Will we go down once again?
