In a dream I was
On a Pony ride with you
You confessed your love
As the lovely night turned blue

Hey baby, I la-laa-la-love you too
Hey baby, Ooh honey, hey sugar
Level with me

Do you see a guy like me
And a girl like you
Shagging by the fire,
On a honeymoon?

Because that could be reality
To you and me
If you just get what I've got
Baby that could be reality, eternally
If you just get what I've got
And that is a Frickin' lot

Baby take me out
For a pony ride with you
And then later on
I will get your name tattooed

Hey baby,
Oh la-laa-la-laa so sweet
Hey baby, ooh honey, hey sugar
I mean, seriously

Do you see a guy like me
And a girl like you
Shagging by the fire,
On a honeymoon?

Because that could be reality
To you and me
If you just get what I've got
Baby that could be reality, eternally
If you just get what I've got
And that is a frickin' lot

Take me home
'cause I like you
Tell me do you see a guy like me
And a girl like you
Shagging by the fire,
On a honeymoon?

Because that could be reality
To you and me
If you just get what I've got
Baby that could be reality

What I'm sayin' is:
I really like you a lot
