At the end of the day
You speak to me just right.
There's a million things that I could say,
But I'm not sure they'd sound right.

But if you go, I'll go.
And if you stay, I'll stay.
We may fall in love.
We may fall down.
But I'm ready to be so heavy.

You wonder every single day
If I'm lost in my old ways.
It's not a simple thing to prove
That I'm lost in only you, now.

But if you go, I'll go.
And if you stay, I'll stay.
We may fall in love.
We may fall down.
But I'm ready to be so heavy.

Run like the beat of my heart.
I suddenly feel like I'm falling apart.
I suddenly feel so good.
I can suddenly feel so good.

Run like the beat of my heart.
I suddenly feel I'm coming apart.
I suddenly feel so good.
I can suddenly feel so good.

But if you go, I'll go.
And if you stay, I'll stay.
We may fall in love.
We may fall down.
But I'm ready to be so, I'm ready to be...

If you go, I'll go.
And if you stay, I'll stay.
We may fall in love.
We may fall down.

But I'm ready to be so, I'm ready to be...

If you go, I'll go...

If you stay, I'll stay...

We may fall in love.

We may fall down.

But I'm ready to be so heavy.
