When this all just began you gave up like?
Then you asked for my soul, but you ran for the hills
It was all just a game from the start to the end
I was down from the start, and you won 'til the end

If you cared enough you wouldn't lean on me
It's hard enough to see the things I've seen
Can't keep making it too easy
To let you walk all over me
If you cared enough you wouldn't lean on me
It's hard enough to see the things I've seen
Can't keep making it too easy
To let you walk all over me

Let you walk, let you walk all over me
Let you walk, let you walk all over me

It's been days since you left but you're still calling up
You're telling me things that you need
Well, I think I gave enough
I thought we were the ones who'd never say die
But your love for yourself came between you and I

If you cared enough you wouldn't lean on me
It's hard enough to see the things I've seen
Can't keep making it too easy
To let you walk all over me
If you cared enough you wouldn't lean on me
It's hard enough to see the things I've seen
Can't keep making it too easy
To let you walk all over me

Let you walk, let you walk all over me x 4

There's a reason they say
We were only the same
When I look at your eyes
They're deserted like mine
Were you ever that way?
Could you ever see, you could open the doors
And let mine before yours

If you cared enough you wouldn't lean on me
It's hard enough to see the things I've seen

If you cared enough you wouldn't lean on me
It's hard enough to see the things I've seen
Can't keep making it too easy
To let you walk all over me
If you cared enough you wouldn't lean on me
It's hard enough to see the things I've seen
Can't keep making it too easy
To let you walk all over me

If you cared enough you wouldn't lean on me
It's hard enough to see the things I've seen
If you cared enough you wouldn't lean on me
It's hard enough, it's hard enough, it's hard enough,
it's hard enough
