"Missing"

Missing a pair of lovin' arms
That held me tenderly
Missing a pair of sweet lips
That kiss so tenderly

Missing a heart as pure as gold
And missing a smile that charms
These precious things I'll go on missing
'Til I find you back in my arms

Missing a pair of lovin' arms
That held me tenderly
Missing a pair of sweet lips
That kiss me so tenderly

I'm missing
A heart as pure as gold
And missing a smile that charms
These precious things I'll go on missing
'Til I find you back in my arms

[BRIDGE]

Missing a heart as pure as gold
And missing a smile that charms
These precious things I'll go on missing
'Til I find you back in my arms
