Volare, oh, oh

Cantare, oh, oh, oh, oh

Let's fly way up to the cloud

Away from the maddening crowd

We can sing in the glow of

A star that I know of whew

Lovers enjoy peace of mind

Let us leave the confusion

And all disillusion behind

Just like birds of a feather

A rainbow together we'll find

Volare, oh, oh

Cantare, oh, oh, oh, oh

No wonder my happy heart sings

Your love has given me wings

Sometimes the world is a

Valley of heartaches and tears

And in the hustle and bustle

No sunshine appears

But you and I have our love

Always there to remind us

There is a way we can leave

All the shadows behind us

Volare (volare) oh, oh

(Oh, volare, oh, oh)

Cantare (cantare)

Oh, oh, oh, oh

(Oh, cantare, oh, oh)

No wonder my happy heart sings

Your love has given me wings

No wonder my happy heart sings

Your love has given me wings

My happy heart sings

Volare, oh, oh
