Volare, oh, oh
Cantare, oh, oh, oh, oh

Let's fly way up to the cloud
Away from the maddening crowd
We can sing in the glow of
A star that I know of whew
Lovers enjoy peace of mind
Let us leave the confusion
And all disillusion behind

Just like birds of a feather
A rainbow together we'll find

Volare, oh, oh
Cantare, oh, oh, oh, oh

No wonder my happy heart sings
Your love has given me wings

Sometimes the world is a
Valley of heartaches and tears
And in the hustle and bustle
No sunshine appears

But you and I have our love
Always there to remind us
There is a way we can leave
All the shadows behind us

Volare (volare) oh, oh
(Oh, volare, oh, oh)
Cantare (cantare)
Oh, oh, oh, oh
(Oh, cantare, oh, oh)

No wonder my happy heart sings
Your love has given me wings
No wonder my happy heart sings
Your love has given me wings

My happy heart sings

Volare, oh, oh
