Iâ€™ve got sick infection
A diagnosed love affection
I had it once and I want more
Thereâ€™s no use Iâ€™m just faking
Tryinâ€™ to be the girl
Whose heartâ€™s not breakinâ€™
Your candy kiss haunts my soul

How will I get my baby
I gotta find my way home
Oh how the tables turned
And Iâ€™m the one who got burned

Iâ€™m sure youâ€™ve heard it all before
But Iâ€™ll be breaking down your door
Your candy lips sweet to the core
So bad I long for yesterday
The winter washed my words away
One taste one kiss Iâ€™ll never stray

Iâ€™ve got an ill intention
Youâ€™d be my one perfection
I had it all I want it back

How will I get my baby
I gotta find my way home
Oh how the tables turned
And Iâ€™m the one whoâ€™s getting burned

Iâ€™m sure youâ€™ve heard it all before
But Iâ€™ll be breaking down your door
Your candy lips sweet to the core
So bad I long for yesterday
The winter washed my words away
One taste one kiss Iâ€™ll never stray

I felt the fire burning out of your heart and mine
It broke me down and wore me outâ€¦I cried

Oh all those things I said forever burning in my head
Youâ€™re bittersweet and I want more, more, MORE!

How will I get my baby
I gotta find my way home
Oh how the tables turned
And Iâ€™m the one whoâ€™s getting burned

Iâ€™m sure youâ€™ve heard it all before
But Iâ€™ll be breaking down your door
Your candy lips sweet to the core
So bad I long for yesterday
The winter washed my words away
One taste one kiss Iâ€™ll never stray
