I know cause I've seen it  
It was grey and I want it  
There's no point in sitting  
Going crazy on my own  
Do you know what  
I was put here in the world for  
Could you tell me  
In three words or more  
It's the only way of getting out of here  
It's the only way of getting out of here

Take a lesson  
From the ones who have been there  
My brain is not damaged  
But in need of some repair  
Hold on to the basics  
But we can't change all our tactics  
Don't just sit there  
Going crazy on your own

It's the only way of getting out of here  
It's the only way of getting out of here

This is the modern way  
Faking it everyday  
Taking it as they come  
We're not the only ones  
Is that what we used to say  
That this is the modern way?

I know where I'm going  
I know we are in the knowing  
I will stop at nothing  
Just to get what I want

It's the only way of getting out of here  
It's the only way of getting out of here

This is the modern way  
Faking it everyday  
Taking it as they come

We're not the only ones  
Is that what we used to say  
That this is the modern way?

That this is the modern way  
Faking it everyday  
Taking them as they come  
We're not the only ones  
Is that what we used to say  
That this is the modern way?
