Oh, Julie (ah, ah)
Oh, Julie (ah, ah)

Oh, oh, oh, oh, Julie
You'll never know how I love you
Oh, oh, oh, oh, Julie
A teenage dream that can't come true

I see you, Julie
Each day as you walk by
But maybe some day, Julie
I'll be the apple of your eye

Although you're older than me
It makes no difference, you see
As you are my shining star

You've heard of passion for
Love and jealousy, my dove
Well, that's the way I feel about you

I need you, Julie
You'll never know how my heart yearns
Oh, please, please help me
My love just burns and burns

But some day, Julie
When I'm as old as you
I'll take you, Julie
And make my dreams come true

Ah, ah, ah...
Do do do...

But some day, Julie
When I'm as old as you
I'll take you, Julie
And make my dreams come true
