Ooh, waa, ooh, waa...

Isn't it amazing
The things that love can do
Isn't it amazing
The thrill it gives to you

You can touch the highest star
Makes no difference who you are
Don't need magic, no sirree
Sweet emotion, that's the key

Isn't it amazing
How fast two hearts can fall
Isn't it amazing
How love can conquer all

Just like that, you're aflame
Bet your life he feels the same
When you call his name

Isn't it amazing
You make me thrilled
My love's a-blazing
It always will

Isn't it amazing
My heart goes hippity hop hop
Isn't it amazing
We kiss and I can't stop

Yes, the angels from above
Sent you here, my turtle dove
With amazing love

Isn't it amazing
You make me thrilled
My love's a-blazing
It always will

Isn't it amazing
My heart goes hippity hop hop

Isn't it amazing
We kiss and I can't stop

Yes, the angels from above
Sent you here, my turtle dove
With amazing love

Ooh, waa, ooh, waa...
Isn't it amazing
