Calling all angels
Calling all angels
Calling all angels, ooh
Calling all angels
Calling all angels
Calling all angels, ooh

There's trouble in paradise
My turtle doves changing wings
There's trouble in paradise
The birds no longer sing

Some devil told my angel
A lot of lies
And now my tears are falling
Like raindrops from the sky

There's trouble in paradise
The stars no longer shine
There's trouble in paradise
Cause she's no longer mine

That devil told my angel
I'd been untrue
Won't somebody help me please
Tell me me what to do

Mr. Moon, Mr. Sun
Tell her she's the only one
Guide her with your lovely light
Back into my arms tonight

There's trouble in paradise
And heaven's not the same
The angels sit and cry
They say it's such a shame

They'd like our love
To be just like before
Then the trouble in paradise
Will be no more

Mr. Moon, Mr. Sun
Tell her she's the only one
Guide her with your lovely light
Back into my arms tonight

There's trouble in paradise
And heaven's not the same
The angels sit and cry
They say it's such a shame

They'd like our love
To be just like before
Then the trouble in paradise
Will be no more

Calling all angels
Calling all angels
Calling all angels, ooh
Calling all angels
Calling all angels
Calling all angels, ooh...
