Hey, scenesters!

Hey! Hey scenesters!  
Hey, scenesters!  
Hey! Hey scenesters!

You lot are in trouble now!  
(Someone's gonna cop it now)  
Soemone's gonna cop it now.

Hey, Darlin!  
Hey! Hey, Darlin!  
Hey, Darlin!  
Hey! Hey, Darlin!  
Hey, Darlin!  
Hey! Hey, Darlin!

Everybody's happy now!  
(Nobody ain't laughin now)  
Nobody ain't laughin now.

She was the glamorous type,  
There were times when you'd never've guessed it.  
Did you see her clothes?  
Everyone said she looked like a mess, yeah.

Okay, alright  
(You think you're a leader)  
About last night  
(But we won't ever believe ya)  
I was feeling strange,  
(One last fling)  
Slightly ashamed.  
(We're nothing is alright, we're leaving)

Casual looks  
(When we were steamin)  
Said enough,  
(We're nothing is alright, we're leaving)  
It's different scenes,  
It's different scenes.

Hey, scenesters!  
Hey! Hey, scenesters!  
Hey, scenesters!  
Hey! Hey, scenesters!  
Hey, scenesters!

You lot are in trouble now
