And now I know in my mind it's time to feel round
Cos that is the best way to heal this
I find, oh I don't know
Time goes so slow
And maybe it's time to let go, I don't

Now I know it's not right
Now I must wake
I know I must take you home

How can I feel right when you are the one that I like to
see and be with on a night
And all that I ask, don't give yourself away too easy,
Don't give yourself to me

Now I know it's not right, my friend
Now I must wake
I know I must take you home

Now I must take you home
Always I go alone
If you'd like to, I'd like to die
Cos if you always insist
I will have to resist
Cos no-one likes that anyway.
