I have always had  
A real problem with getting down  
But it's alright you know  
I really don't mind that you know  
I know you've been sleeping around  
Your bed's full of idiots from town to town  
But it's alright you know  
I really don't mind that you know

Out of sight  
It's not right, she said  
Leave town right now, say  
Oh oh oh oh

Out of sight (Oooh)  
It's not right, she said  
Come on, leave town right now, say  
Oh oh oh oh

And now, I'm back to the plot  
I'm sorry I got side-tracked there, I'm bad out of plan  
But it's alright you know  
I really don't mind that you know

The words that they said sounded like  
They were underwater, but I understand  
But it's alright you know  
I really don't mind that you know

Out of sight  
It's not right, she said  
Leave town right now, say  
Oh oh oh oh

Out of sight (Oooh)  
It's not right, she said  
Come on, leave town right now, say  
Oh oh oh oh

Out of sight  
It's not right, she said  
Leave town right now, say

Oh oh oh oh

Out of sight (Oooh)  
It's not right, she said  
Come on, leave town right now, say  
Oh oh oh oh
