Please could you hold this
I can't take it anymore
I'm bruised and broken
Rest my head against the floor

Well, I'm fed up with this train of events
Wondering what to do next
Yeah, I'm fed up with this train of events
Nothing is making sense
No blood, sweat or tears

You go your way
I'll go my way
But someday
We may meet
You go your way
I'll go my way
But someday
We may meet

Maybe someday

The TV throws its light across the bedroom floor
We're locked in silence
I can't take this anymore
'Cos I'm fed up with this train of events
Wondering what I'll do next
Yeah, I'm fed up with this train of events
Nothing is making sense
Well, I know I'll lose, I lose every time

You go your way
I'll go my way
And someday
We may meet
You go your way
I'll go my way
And someday
We may meet

Oh, maybe someday

Oh, maybe someday

You go your way
And I'll go my way
Someday
We may meet

You go your way
I'll go my way
And someday
We may meet

You go your way
I'll go my way
Someday
We may meet

You go your way, I'll go my way
You go your way, I'll go my way
You go your way, I'll go my way
You go your way, I'll go my way

Oh, maybe someday
Oh, maybe someday
