Verse 1: Without the Alaa-Kasam!  
God said I am Because God is, without the show biz  
Ain't no magic in His linguistics  
He is the definition of existence  
Because God is before any thing was  
And God did before anyone does  
From Alpha to Omega without the  
Boooooom shaker He had it going on long before He  
allowed Sega  
A Wennobaga will take ya on a long tour but He's got  
much more  
Than you could ever explore Infinite Omnipotent  
without descent  
Say what He mean, mean what He meant  
The Monumentous, Mr. Advantageous So Magnifico  
and yet Solo  
Uno "Oh No!" did this mess up the photo in your God  
portfolio  
Well, prepare for the Bollo Cause you know and I know  
And others do also God is displaying and saying, "I am  
That I am"

Chorus: Forever past; I am That I am  
Forever present; I am That I am Forever future;  
I am That I am The Great; I am That I am, That I am

Verse 2: In the beginning was the Word  
And the Word was with God and the Word was God  
And God is still large Though some find Him strange  
He can't exchange or rearrange and He sure can't  
change  
Makes Himself known makes Himself heard makes  
Himself seen  
All through the Word Sometimes a lot a little  
sometimes in a riddle  
Sometimes when He's revealing, it's hard like peanut  
brittle  
But He'll break it down into bite size pieces with a  
complete thesis  
That we can eat up like Reese's Peanut butter cup  
So good, to the roof of your mouth it'll get stuck  
So you can savor the flavor forever

To keep your spirit strong and your intellect clever  
Pull the lever, on all the things you think you know  
She'd the dead leaves so you can grow and sow  
And reap and expand humble yourself under the  
Mighty hand of the one that's saying I am

Father-  
Spirit-Jesus Christ

Verse 3: Back on the scene  
The ever existing Almighty Supreme  
The Theme who came to earth thru a super natural  
birth  
To give the worthless some worth  
The Pharisees' and The Sadducee's  
Always tried to catch Him up in a freeze  
But please, how could they do this  
Catch the super-cala-fraj-expe-alla-smooth-ness  
Every time they would try to judge  
He would step up to beat down the grudge  
He said "You know your father Abraham rejoiced to see  
my day.  
" They said "Hey!" How do you know the father  
Abraham,  
Your not even fifty years old my man?"  
He said "Verily, verily, understand  
Before Abraham was... , Yeah, I am!
