Chorus: Just 4 U, Just 4 U, is why I wrote this rhymeÂ. Just 4 U, so you can understand what goes thru my mindÂ-

Just 4 You, so you can understand who I be· the way a

the way I talk \hat{A} the way I think (x2)

Verse 1: Welcome to a place youÂ've never been beforeÂ-

ItÂ's laid back but raw· Jesus Christ for yall·

lÂ'm coming like a jab aimed straight to your jaw· so vou better duckÂ.

when I bust· cause IÂ'm letting off· · From the door, IÂ'ma lay some things to restÂ.

for me itÂ's Christ first and then this microphones nextÂ-

you can boogie like the monsters, but IÂ'll still be vexedÂ-

if what you speak is not about his most highnessÂ.

· Allow me if you will, to chill and build a few things· my foundation the Rescuer, The King of KingsÂ.

· And Lord of Lords· deserves more than your applauseÂ.

King Jesus say His name cause he reigns yall·

· For mankind, sin made a great big hole·

and he became the cement filler to hold up the poleÂ. · called life, no pun intended·

you think thereA's more than one way I recommend you listenÂ.

Choosing Christ is not like switchinÂ' long distanceÂ. or choosinÂ' what pants to wear with what shirt, itÂ's differentÂ-

· much different, extremely different like strokes· but thereÂ's no Arnold, Willis, Mr. Drummond and no iokes·

· IÂ'm provoked, by a world who wants to choke me outÂ-

my lightÂ's lit, but like FroÂ's they want to blow me outÂ-

· So I let my light shine like a frost bit bracelet· the world you living in face it· His voice shaped it· He changed the face of history and you canÂ't erase itÂ.

Sin and death couldnÂ't hold Him and they tried to glue and paste $Him \hat{A} \cdot$

· So where should I take it from here letÂ's seeÂ...·

I guess thatÂ's enough work for the first verse piece

Chorus

Verse 2: ItÂ's been made plane like Jane to me· and doesnÂ't take an Einstein brain to see· that if your born your gonna die and thatÂ's the way it be·

So you can kill your after life philosophy·cause if itÂ's not Christ, your livinÂ' slopily·like Joe, so I flow hopinÂ' youÂ'll copy me·and get down with Christ whoÂ's gotta monopoly·on the universe and works without stoppinÂ', Please!·Â·He donÂ't need sleep, cause heÂ's the word, ya heard·

show me one better than Christ and itÂ's him IÂ'll serve·

 $\hat{A}\cdot$ But you canâ't, and lâ'm notâ· and you wonâ't, so just stopâ·

feeling shaken; your thing is breakinÂ'; come stand on this Rock

Chorus

Verse 3: $I\hat{A}'d$ like to take a minute or so if I could $\hat{A}\cdot$ to drop these last packages off in your mental neighborhood $\hat{A}\cdot$

· TheyÂ're postmarked urgent· from the Lords Bondservant·

in care of the Holy Spirit whoÂ's now red alertinÂ'· you to the fact that your deservinÂ'· · of no more· than the blaze of the torture and the scorch· but youÂ're the next contestant, so come on down, cause youÂ've been bought · But your feeling bugged cause it seems like your caught·

 $\hat{A}\cdot$ in your seat or ya \hat{A}' feet feel like they \hat{A}' re stuck to the floor $\hat{A}\cdot$

but see the life of Our Lord $\hat{A}\cdot$ was spread out on that Cross $\hat{A}\cdot$

So we could escape the torch, $\hat{A} \cdot$ not just for sport, $\hat{A} \cdot$ no longer to be lost $\hat{A} \cdot$ If we recognize of course $\hat{A} \cdot$ that we \hat{A} re sinners and He \hat{A} s the true and living Life source $\hat{A} \cdot$

 $\hat{A}\cdot$ from which we must draw $\hat{A}\cdot$ it was sin and death that he fought $\hat{A}\cdot$

and when His breath left, "Oh my God" we thoughtÂ-

 $\hat{A}\cdot$ he took the L, but we soon saw he prevailed $\hat{A}\cdot$ so when I exhale $\hat{A}\cdot$ Oh yes, I expel myths $\hat{A}\cdot\hat{A}\cdot$, that outside of Christ you can know God cause HeÂ's it· High Priest, Prince of Peace, King Jesus· You better believe His -name is -King Jesus
