[Chorus]

Have you ever heard speech like this?  
My heart beats as I hear speech like this  
Certain man a try a ting  
I ain't tryna diss but I never heard speech like this

Have you ever seen speech like this?  
Witness a scene that speeched like this  
Articulated with spiritual fitness  
Left teachers speechless at speech like this

[MOD]

[e.Miner]

From birth His deeds formed words that were clearly  
heard  
By all the called witnesses, shepherds and angels saw  
the king born on road  
Wrapped in swaddling clothed in meekness  
Actions speak louder than words  
And when I see the words they make my heart burn  
with bliss  
Like when God speeched with moses His face glowed  
That's how my soul feels son kissed

[Tha Pilgrim]

Check the extent of what it all meant  
I'm the mongrel & instead of me died the pedigree  
In order to whip the enemy who thought the remedy  
would end up in gethsemene  
This child He ain't a minor, He's major  
He made ya, He made the wood for the manger  
His love will amaze ya, on your wretched behaviour  
He'll pour out grace & still save ya

[Chorus]

[MOD]

[e.Miner]

The king came with some to say but today we ain't  
nutten to say  
Most rappers chat foolishness, nuff preachers labrish

Abuse the truth, confuse with their looseness  
Ahhhh what more can I say  
The king's message has to resonate the airwaves  
We don't take this for joke, we don't ramp and don't  
play  
We reverberate the statement He made

[Tha Pilgrim]

Breddrin, the man can't fumble the man's so humble  
I never ever seen the man grumble  
This world is rotten & fungal  
Yet He, left His heavenly home for this jungle  
And lowered Himself to that of a refuse collector  
The plan was become a garbage man  
Going through the junk heaps, salvaging peeps,  
spiritually sweeping the  
streets

[MOD]

[e.Miner]

Shhhh - listen to the king's speech  
Hush listen to the king's speech  
From the cradle to the grave to the day He was raised  
Everything about His life was the message that he  
blazed  
Shhhh - listen to the king's speech  
Hush listen to the king's speech  
All day every day we'll fast & we'll pray  
Bring the sound around your way & wont let the speech  
fade

[Tha Pilgrim]

Yo, I got a mind full of peace & a heart full of bliss  
That's why we spit like this  
Walking in new life the old one I don't miss  
That's why we spit like this  
He healed the blind the deaf & the mute, now with  
mended lips we spit like this  
Were connected like a break to a disc, like a hand to a  
wrist  
So we spit like this

[Chorus]
