You, you don't know
What it's like to be free
You, a slave to sin
Just let him in
And then you'll see
You can be brand new
You know it's true
His love will reign
He, he shed his blood
For you and me
We caused his pain

(chorus)
Jesus blood is all you need

You, you silly fool
What will it take
To prove his love
They, they spit on him
They pierced his hands
He gave his life
You, you find your life
You gain the world
You lose your soul
Lose your life to him
Deny yourself
And then you'll win

(chorus)
Jesus blood is all you need
