United
United by Christ

Breaking down the walls that divide our ranks
Colors, all cultures, styles and pride
All this judgement on appearance
And arrogance between it
Means nothing next to what's inside

Don't turn
Don't turn your head away
This is a crucial moment

Put away the labels and dissolve separations
Children of God need no name or crowd
God is love, love is the perfect bond of unity
And that's what brotherhood is all about

Don't turn
Don't turn your head away
This is a crucial moment

Hook... (evoorgenots)

I went for so long thinking only I counted
I was wrong I now admit
Determined and serious straight-up deliberate
God gives us the message and we just deliver it

Don't turn
Don't turn your head away
This is a crucial moment
