

## The Crucified "Freedom"

Visit "[Freedom](#)" on MotoLyrics.com

I have freedom  
I have Jesus  
You want freedom?  
You need Jesus  
America - land of free  
America - show your freedom to me  
Look at us - I hate our little circles  
Look at us - we steer away from the troubled world  
Jesus - gave us the chance to be free  
Jesus - we killed him and nailed him to a tree  
Satisfied - with these tissue paper living lives  
Satisfied - your fine while everything goes right

But I don't want to be a part of that  
I'm not into it, I see the waiting trap  
I have Jesus I'm truly satisfied  
Because I know, for he died  
Who has the real freedom now? you?
