The fool has said in his heart  
"there is no God"  
He loves evil more than good  
Deceit from his tongue  
No one who understands  
No one who could  
Fire will come upon those who refuse  
(refuse) (x4)

(chorus)  
Jesus has made the way  
Hearts no longer decay  
Jesus has made the way  
Hearts no longer decay

God has looked down to earth  
Says, "no one does good, the need my loving grace"  
Except it you should  
But you look to yourself  
Think you will find, an answer  
In unity of spirit, soul, and mind  
(vanity) (x4)

(chorus)

Listen to what I say, I'm speaking to you  
Religion is not the way of finding the truth  
Relation is what God wants  
Tradition is through  
If you want unity what else can you do?  
(what-else-can-you-do)

(chorus)

Now you can put behind  
Thoughts of the past  
Jesus has set you free  
Your now free at last  
Are-you-tired-of-this world?
