Who wants to grow up in a world that's so unfair?  
And who wants to live in a world where nobody cares?  
Bombs in your backyard  
All your doors are locked  
Your neighbor is a killer  
Your brothers hooked on drugs  
All because we're living  
In a world that we messed up - not God  
Say your life is going nowhere  
Friends and family just ignore you  
Put a gun against your head - figure you're better off -  
dead?

There is one chance to make things right  
He's Jesus Christ, Jesus Christ  
He hung on your cross  
Took your sins  
He suffered the loss  
So you might live  
Receive him now, freedom gained  
Better do it soon  
Because he is coming - again
